OPEN YOUR MIND TO
NEW IDEAS!

DEFY
DOGMA

SkepTube is a curated video clip festival of publicly-available online video. Videos will be shown in 10-15 minute thematic blocks followed by short open audience discussions. The schedule of themes will be posted on the Sac City Freethinkers web site, Facebook page and on campus posters prior to the event. Audience members are welcome come and go at any time during the event. Note: inclusion of named and noted guests does not imply an endorsement on their part. Virtual guests and topics may change without notice.
